The Northeast Neighborhood Association's (NENA) mission is to build community and have a collective voice on issues that affect the quality of life in our neighborhood and our community.

NENA's boundaries extend east to west from South Bay Rd. to Berry St. and north to south from 26th Ave. to Yew Street.

Currently there are several important issues and projects that the Northeast Neighborhood Association is working on that directly affect our neighborhood's safety and livability.

They include:

 Our "Graffiti Busters" program – more than 200 taggings in our neighborhood have been "busted" since we started this program in late 2007.

 Making it safer for students to walk and bike to school by working with the Thurston County STEPS program, the Olympia School District, the City of Olympia and InterCity transit to improve traffic flow in and out of Roosevelt School and through the intersection at Bethel and San Francisco streets.

 Working with our community partners to make our neighborhood more walkable and active friendly with projects like the new SF street, Quince St. and Miller Ave. sidewalks

 Creating a "walkaround guide" featuring key destinations and fun and beautiful walking routes in our neighborhood.

It's easy to get involved in the **Northeast Neighborhood Association!**
